

## Preschool Children

Preschoolers (birth through Kindergarten) enjoy a safe, nurturing environment with loving and caring volunteers who will share the love of Jesus in age-appropriate ways. Our first floor nursery is easily accessible down the left center corridor. Once your child(ren) is/are securely checked in to the nursery, you will receive a security number and instructions on the numerical paging system in the worship center should your child need your attention during the service.

## Students

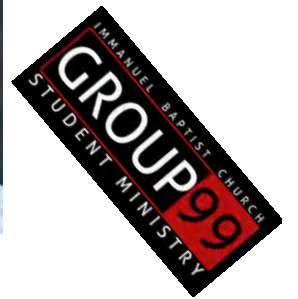

Small Groups are key to growth and we have small groups for every student at Immanuel. For Middle & High School students, we begin the small group hour in the student ministry area at 9:30am, with a large-group time for refreshments and announcements followed by age divided groups. We use Student Life curriculum that continues building upon eight essential truths each week.
